

FOLLOWING AN ACCIDENT
SUFFERED BY A MEMBER OF THE PROJECT I FOUND
THAT MANY PEOPLE ARE UNABLE TO REACT
TO AN **EMERGENCY**
SITUATION

THROUGH SUBSEQUENT INVESTIGATION WE NOTICED HIGH RATES OF
ACCIDENTS AND LESIONS
ARE
SUFFERED BY
CHILDREN
ADOLESCENTS AND THE ELDERLY

THE CONCLUSION WAS FORMED THAT FOR
THE MOST **VULNERABLE GROUPS**
MANY DO NOT KNOW WHAT TO DO IN THESE SITUATIONS

IN PROJECT EMER WE WILL:

HELP THE MOST VULNERABLE
(CHILDREN, ADOLESCENTS, ELDERLY PERSONS AND GROUPS AT RISK OF SOCIAL EXCLUSION)
TO IMPROVE THEIR QUALITY OF LIFE THROUGH DESIGN AND IMPLEMENTATION
OF PREVENTATIVE EDUCATIONAL ACTIVITIES
IN VARIOUS ENVIRONMENTS AND ACTIVITIES
PROMOTING THESE VALUES AS A **SOCIAL INNOVATION** SO THESE SITUATIONS WILL IMPROVE.

WITH THE INTENTION OF:

BECOMING A **REFERENCE POINT**
IN OUR SOCIETY FOR THE
DEVELOPMENT AND DISTRIBUTION
OF GOOD PREVENTIVE PRACTICES
THAT WILL SUPPORT THE **WELL-BEING** OF THESE GROUPS.
AND **CONNECTING** ALL PERSONS, ENTITIES AND PROFESSIONALS
TO BECOME AWARE OF ALL THE FACTORS THAT DETERMINE
SITUATION OF RISK AND ANY REPERCUSSIONS INVOLVED, IN SHORT,
ANYONE WHO WANTS TO HELP OTHERS.

WE WILL WORK TOWARDS THE FOLLOWING OBJECTIVES:

1. PROVIDE TRAINING FROM THE FIRST MINUTES OF AN **EMERGENCY**
EDUCATING THE MOST VULNERABLE GROUPS
BECAUSE THEY ARE OUR FUTURE AND THE ORIGIN OF OUR PRESENT.
2. FOSTERING A CULTURE OF **PREVENTION**
SO THAT IS INCORPORATED INTO OUR DAILY ACTIVITIES
NATURALLY AND CONNECTED TO THE SOCIAL RESPONSIBILITY
OF THE PERSONS OR COMPANIES (RSC).
3. BE THE DEVELOPMENT **PLATFORM**
FOR ALL KINDS OF ACTIVITIES RELATED TO
PREVENTIVE TRAINING.
4. ASSIST IN THE EDUCATION AND PROMOTION OF GOOD EATING HABITS AND SPORTING ACTIVITIES,
TO HELP AVOID UNWANTED SITUATIONS
AND AS A HEALTHY WAY TO IMPROVE PEOPLE'S QUALITY OF LIFE.
5. GROUPING ENTIRE GROUP OF PEOPLE, **PROFESSIONALS**
AND AWARENESS PROJECTS
TO CREATE BEHAVIORAL BEST PRACTICES FOR POSSIBLE EMERGENCIES IN OUR SOCIETY.
